Greetings everyone,

The list below indicates the fourteen different email clients our membership is currently using which is not conducive to effective communications for Grand du Florida or individual Voitures and Cabanes.

gmail, yahoo, outlook, hotmail, bellsouth, live, aol, comcast, embarqmail, msn, advancedsignsolutions, att, tampabay.rr, colliersherriff...

In order to streamline communications for our organization We now have our own email client for Grand du Florida, each Voiture and each Cabane.

Benefits for each of us.

- a. one place for 40 & 8 email communication and retrieval (not mixed with all personal emails, junk emails, and searching for prior 40&8 emails)
- b. one place for calendar of events for Grand and each Voiture and Cabane.
- c. unlimited email storage space
- d. unlimited email accounts
- e. spam protection
- f. FREE of charge to our organization.

example: to mail submissions for inclusion to the website the email address is  
admin@fl40and8.org

each member will have created for them a mail box on our fl40and8.org server: example:  
john.kaiserian@fl40and8.org

each member will have a password assigned to them.

the new email lists will be compiled and completed as soon as possible. This is a manual process that I must create for each individual. Once complete we will implement and access instructions will be sent to each member.

Thank you for your patience, understanding the critical communication needs and your support with effort.

“Together We All Win, Team Over Me”

Merci,
