Avocat Nationale
Voiture Nationale
250 E 38th St
Indianapolis, IN 46205

Dear Monsieur Avocat Nationale Stroud:

Enclosed are an original and copy of the amended Constitution of the Grande Voiture du Florida for review and approval.

Article IV Section 4 changes the quorum requirement for Grande Promenades to conform to Robert's Rules.

Article V Section 3 changes the Commissaire Intendant to an elected office and the Drapeau to an appointed office. It also realigns the relative seniority of Officers to conform to the National Constitution.

Article VI Sections 3 and 5 reflect an exchange of financial duties between the Grand Commissaire Intendant and the Grand Correspondant.

Article VI Sections 13 through 16 have been correctly renumbered.

Article VI Section 15 F removes the Grand Commissaire Intendant as the requirement was incorporated into his duties as specified in Article VI Section 3.

Article VI Section 16 M removes the Custodian of the Emergency Fund. This Fund was deleted in 2014.

The phrase "(as prescribed in Article V as changed)" has been removed from Article VII Sections 1 and 6 as superfluous.

All changes are noted in italics. Those changes deleting portions of our Constitution (strikeouts) will be removed when Nationale approval is received.

Yours in service to La Société,

Debra
